

**[NOVA Construction Engineering Inspection Services - Contract II](#)**

ATCS, PLC was recently selected by the Virginia Department of Transportation's Northern Virginia District, to provide construction inspection services in Loudoun, Fairfax, Prince William and Arlington Counties.

Construction assignments are anticipated to include urban, complex interchanges; intersection improvements; new roadways and bridges. ATCS will also provide office engineering, engineering support services, and administrative support to on-going and future projects.

Engineering support services include shop drawing review, CPM scheduling, claims assistance and FHWA compliance reviews.

This contract is for 2 million/year, from October 2009 through October 2012.
